

Hello Amberleigh North Residents,

July's Community Calendar is available online at [www.abmerleighdublin.org](http://www.abmerleighdublin.org). Additional discussion items are presented below.

1) **4<sup>th</sup> of July**

Fourth of July festivities begin with a new event, **Blarney in the Alley**. It will be held from 10am until 4pm in Historic Dublin's BriHi District. This festival is geared toward kids and will have food, music and art. Net proceeds will be donated to Miracle League. One of the event organizers is our neighbor, Bill Jacob. More detailed information is provided here:

The 4<sup>th</sup> of July parade begins at 11am. Evening activities begin at 4:30pm at Coffman High School Stadium with plenty of kids activities, the Canine Frisbee Disc Championship, lots of food and musical entertainment starting with the Reagonomics, followed by Taylor Dane and Rick Springfield. Fireworks begin at 9:50pm.

2) **New Management Company**

The Case Bowen Company has now taken over as our management company. **Stacia Hill** will be our representative. Her contact info is as follows (and is also available on our website):

Email	shill@casebowen.com
Phone	614-799-9800 ext 37
Fax	614-799-8338
Address	5940 Wilcox Place, Suite B Dublin, OH 43016-6805

3) **Concrete Repair**

Cracks in the pool area, tennis courts as well as a section out front of the Clubhouse are scheduled for repair on **Monday, July 14<sup>th</sup>**. The pool and tennis courts will be closed that Monday and Tuesday, and possibly Wednesday, in order to let the concrete properly set. Signs will be posted around the pool and clubhouse. Please refrain from using the pool and tennis courts during this period. We would hate to have to order additional repairs. Note that the date for repairs is subject to change due to unsuitable weather conditions.

4) **Letter of Support for Amberleigh Park**

The deadline to show our support for the design and construction of Amberleigh Park is quickly approaching. I have attached a form letter that can be used to send to City Council members (Because this is such an important topic, I broke my own rule of not sending attachments via the email distribution list.) The street and email addresses of the mayor and our Ward 1 representative are included. A big thanks for all of you who have already sent in a letter of support.

5) **Slainte Thursdays in Historic Dublin**

Check out [www.BriHiDistrict.org](http://www.BriHiDistrict.org) to get the latest information on Slainte Thursdays and other activities happening in downtown's BriHi District.

6) **Registered Sex Offender in the Area**

Thanks to residents Mary Willette and Marsha Moore for bringing attention to the story of a sex offender in the area who was recently arrested. See the article in the Dublin News for more information:
