Council meetings, 'It's Happening' now streaming online

Archives will be available of all shows starting in 2009."

DCRC Expands Sunday Hours

Stork Report

For reasons that will soon become apparent, an idea occurred to me to provide a section in the monthly newsletter for those who would like to let the neighborhood know of newborn household additions. I don't think I'm the only one who likes to know of such happenings, especially during the winter months when socializing is somewhat limited due to the weather. Just email me what you want posted, including a picture if so desired, and I will include it in the next monthly newsletter.

That being said, please welcome **Michael Stephen**, the latest addition to the Kelbick Household. He arrived at 2:30pm on February 2nd, weighing in at 8lbs, 15oz and measuring 21.25 in. All are doing well.
